3rd GENERAL MEMBERSHIP MEETING

BAYANIHAN ON ENGINEERING EDUCATION

Tungo sa Makakalikasan at Makataong Edukasyon

(Toward Ecofriendly and Human-Centric Education)

BAYANIHAN *in Engineering Education applies the traditional Filipino spirit of community (bayanihan) and mutual aid (tulungan) to academic, technical, and community-building settings.*

Objectives of the Meeting

- *Draw the connections between the Filipino indigenous knowledge and cultural values in engineering education.*
- *Advocate the preengineering of Philippine engineering education to ground it in local context, incorporate indigenous knowledge, and integrate Filipino cultural values.*
- *Identify concrete steps towards contextualization of Philippine engineering education like writing engineering ethics referenced back from a Filipino perspective.*
- *Present accomplishments and the five-year strategic plans of the ASEE PH Branch.*
